Total Estimated Mileage										
Total Estimated Mileage must represent a time period equal to any actual mileage listed on the Schedule B. If the actual mileage listed is less than a 12-month period, adjust the estimated mileage accordingly.					I certify that this fleet is apportioning in the above jurisdictions and did not accrue actual mileage in the jurisdictions during the reporting period shown on Schedule B, and that the estimated mileage is based on documentation available for review by ADOT/MVD.					
Total Miles Per Year for each jurisdiction is transferred to Schedule B.						nature		Title	Date
